"RESOLVED THAT pursuant to the provisions of Section 62(3) and other applicable provisions, if any, of the Companies Act, 2013 and Rules made there under, and applicable provisions, if any, of the Companies Act, 1956, and in accordance with the Memorandum of Association and Articles of Association of the Company and applicable regulations including Reserve Bank of India's Framework for Revitalising Distressed Assets in the economy and various guidelines and circulars issued on Joint Lenders Forum (JLF), corrective action plan (CAP) and Strategic Debt Restructuring (SDR) along with modifications, alterations, if any, and other subject to all such approval(s), consent(s), permission(s), sanction(s), if any, of appropriate statutory, governmental and other authorities and departments in this regard and subject to such condition(s) and modification(s) as may be prescribed or imposed, while granting such approval(s), consent(s), permission(s) or sanction(s), the consent of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter called the "Board", which term shall be deemed to include any committee(s) constituted/to be constituted by the Board to exercise its powers including powers conferred by this resolution, to the extent permitted by law), on the terms and conditions contained in the financing documents, such terms and conditions to provide, inter alia, to convert the whole or part of the loans of the Company (whether disbursed on or prior to or after the date of this resolution and whether then due or payable or not), (as already stipulated or as may be specified by the Financial Institutions/Banks under the financing documents executed or to be executed in respect of the financial assistances which have already been availed or which may be availed) by the Company under the lending arrangements (existing and future arrangements) with various Banks, Financial Institutions and other lenders (hereinafter collectively referred to as the "Lenders"), at the option of the Lenders, the loans or any other financial assistance categorized as loans (hereinafter referred to as the "Financial Assistances"), in Foreign Currency or Indian Rupees, which have already been availed from the Lenders or as may be availed from the Lenders,

from time to time, not exceeding 20,000 Crores (Rupees Twenty Thousand Crores), consistent with the existing borrowing powers of the Company under Section 180(1)(c) of the Companies Act, 2013, each such Financial Assistances being separate and distinct from the other, into fully paid up equity shares of the Company on such terms and conditions as may be stipulated in the financing documents or as per RBI circular on SDR along with modification/alterations thereof, if any and subject to applicable law and in the manner specified in a notice in writing to be given by the Lenders (or their agents or trustees) to the Company (hereinafter referred to as the "Notice of Conversion") and in accordance with the following conditions:

- (i) the conversion right reserved as aforesaid may be exercised by the Lenders on one or more occasions during the currency of the Financial Assistances;
- (ii) on receipt of the Notice of Conversion, the Company shall, subject to the provisions of the financing documents, allot and issue the requisite number of fully paid-up equity shares to the Lenders or any other person identified by the Lenders as from the date of conversion and the Lenders may accept the same in satisfaction of the part of the loans so converted;
- (iii) The part of the loan so converted shall cease to carry interest as from the date of conversion and the loan shall stand correspondingly reduced. Upon such conversion, the repayment installments of the loan payable after the date of conversion as per the financing documents shall stand reduced proportionately by the amounts of the loan so converted. The equity shares so allotted and issued to the Lenders or such other person identified by the Lenders shall carry, from the date of conversion, the right to receive proportionately the dividends and other distributions declared or to be declared in respect of the equity capital of the Company. Save as aforesaid, the said shares shall rank pari passu with the existing equity shares of the Company in all respects.
- (iv) In the event that the Lenders exercise the conversion right as aforesaid, the Company shall at its cost get the equity shares, issued to the Lenders or such other person identified by the Lenders as a result of the conversion, listed with such stock exchanges as may be prescribed by the Lenders or such other person identified by the Lenders and for the said purpose the Company shall take all such steps as may be necessary to the satisfaction of the Lenders or such other person identified by the Lenders, to ensure that the equity shares are listed as required by the Lenders or such other person identified by the Lenders.
- (v) The loans shall be converted into equity shares at a price to be determined in accordance with the applicable Securities and Exchange Board of India Regulations at the time of such conversion.

RESOLVED FURTHER THAT the Board be and is hereby authorized to finalise the terms and conditions for raising the Financial Assistances, from time to time, with an option to convert the Financial Assistances into equity shares of the Company any time during the currency of the Financial Assistances, on the terms specified in the financing documents, including upon happening of an event of default by the Company in terms of the loan arrangements.

RESOLVED FURTHER THAT on receipt of the Notice of Conversion, the Board be and is hereby authorized to do all such acts, deeds and things as may be necessary and shall allot and issue requisite number of fully paid-up equity shares in the Company to such Lenders.

RESOLVED FURTHER THAT the Board be and is hereby authorized to issue, offer and allot from time to time to the Lenders such number of equity shares for conversion of the portion of the loans as may be desired by the Lenders.

RESOLVED FURTHER THAT the Board be and is hereby authorized to accept such modifications and to accept such terms and conditions as may be imposed or required by the Lenders arising from or incidental to the aforesaid terms providing for such option and to do all such acts and things as may be necessary to give effect to this resolution.

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board, be and is hereby authorised to do all such acts, deeds, matters and things, as it may in its absolute discretion deem necessary, proper or desirable as may be required to create, offer, issue and allot the aforesaid shares, to dematerialize the shares of the Company and to resolve and settle any question, difficulty or doubt that may arise in this regard and to do all such other acts, deeds, matters and things in connection or incidental thereto as the Board in its absolute discretion may deem fit, without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution.

RESOLVED FURTHER THAT the Board be and is hereby also authorized to delegate all or any of the powers herein conferred by this resolution on it, to any committee of Directors or any person or persons, as it may in its absolute discretion deem fit in order to give effect to this resolution."

- Loans with a rate of interest not lower than the prevailing yield of one year, three year, five year or ten year Government Security closest to the tenure of the Loan.

Members are informed that pursuant to second proviso of Section 188(1) of the Companies Act 2013, no member of the Company shall vote on such Special Resolution to approve any contract or arrangement which may be entered into by the Company, if such member is a related party. Further, by its recent General Circular No. 30/2014 dated 17.07.2014, the Ministry of Corporate Affairs has clarified that the term 'Related Party' in the second proviso to Section 188(1) refers only to such Related Party as may be a Related Party in the context of the contract or arrangement for which the special resolution is being passed.

The Board of Directors of your Company has approved this item in the Board Meeting held on 30th August, 2016 and recommends the resolution as set out at Item No. 5 of the accompanying notice for the approval of members of the Company as special resolution.

None of the Directors and key managerial personnel (other than as mentioned above) and their relatives are deemed to be concerned or interested, financial or otherwise in the proposed special resolution.

ITEM NO.6

The existing Articles of Association do not contain the provisions with regards to Appointment of Nominee Director by Banks/ Public Financial Institutions/Financial Corporation or by any institution as per the provision of Section 161 of the Companies Act. Hence, it is considered expedient to append the following Clause 91A after the Clause 91, to the existing Articles of Association of the Company.

Draft Articles & Memorandum of Association shall be available for inspection during the meeting and can be inspected by members during the business hours at the registered office of the Company.

In terms of Section 14, 114(2) and 161(3) of the Act, the Consent of members is to be accorded by way of Special Resolution for alteration by way of addition in the existing Articles of Association as per Companies Act, 2013.

The Board of Directors of your Company, recommends the Special Resolution as set out at Item No. 6 of the accompanying Notice for approval of the member of the Company.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise in the proposed resolution.

ITEM NO.7

In terms of the provisions of Section 180(1)(c), the shareholders of the Company have already accorded approval to the Board of Directors of the Company to borrow money/ moneys upto an amount of ₹ 20,000 Crores by passing a Special Resolution in 27th Annual General Meeting of the Company held on 24th March, 2014.

In line with the regulatory changes in the recent past, the changes in the Companies Act, 1956 and in line with various directives issued by Reserve Bank of India, from time to time, the Company has been advised to pass a Special Resolution under Section 62(3) of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and Rules made there-under to enable the Banks and Financial Institutions (hereinafter referred to as the "Lenders") to convert the loans or any other financial assistance categorized as loans (hereinafter referred to as the "Financial Assurances"), in foreign currency or Indian Rupee, already availed from the Lenders or as may be availed from the Lenders, from time to time, at their option, into equity shares of the Company upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable Securities and Exchange Board of India Regulations (SEBI Regulations) at the time of such conversion.

Accordingly, the Board recommends the resolution as set out in Item No. 7, to enable the Lenders, in terms of the lending arrangements, entered/to be entered, and as may be specified by the Financial Institutions/Banks under the financing documents already executed or to be executed in respect of the Financial Assurances availed/to be availed, at their option, to convert the whole or part of their respective Financial Assurances into equity shares of the Company, upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable SEBI Regulations at the time of such conversion. Since decisions for raising the Financial Assurances or agreeing to terms and conditions for raising the Financial Assurances (including option to convert loan into equity) are required to be taken on quick basis, especially keeping in view the interest of the Company, it may not be feasible for the Company to seek shareholders consent each and every time, in view of the timings and the expenses involved.

Pursuant to provisions of Section 62(3) of the Companies Act, 2013, this resolution requires approval of the members by way of passing of a Special Resolution. Hence, the Board recommends the said enabling resolution for the approval of the members.

None of the Directors and Key Managerial Personnel of the Company and their relatives may be deemed to be interested/ concerned in this resolution, except to their respective shareholdings in the Company, if any.

INFORMATION REQUIRED TO BE FURNISHED AS PER REGULATION 36 (3) OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 IN RESPECT OF DIRECTORS SEEKING APPOINTMENT/RE-APPOINTMENT IN THE FORTHCOMING ANNUAL GENERAL MEETING.

I further report that having regard to compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- i) The Factories Act, 1948;
- ii) The Petroleum Act, 1934 and the rules made there under;
- iii) The Environment Protection Act, 1986 and the rules made there under;
- iv) The Water (Prevention and Control of Pollution) Act, 1974 and the rules made there under; and
- v) The Air (Prevention and Control of Pollution) Act, 1981 and the rules made there under

I further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated laws.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India notified with effect from July 1, 2015;
- (ii) The Listing Agreements entered into by the Company with The National Stock Exchange of India & The BSE Limited

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

CORPORATE GOVERNANCE REPORT FOR THE YEAR 2015 - 2016

The Company has been following high standards of Corporate Governance Principles, Policies and Practices over the period.

I. AMTEK’S GOVERNANCE POLICY:

Amtek believes that effective corporate governance practices constitute the robust foundation on which successful commercial enterprises are built to last. The Company’s philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

Amtek views corporate governance in its widest sense almost like a trusteeship, a philosophy to be progressed, a value to be imbibed and an ideology to be ingrained into the corporate culture.

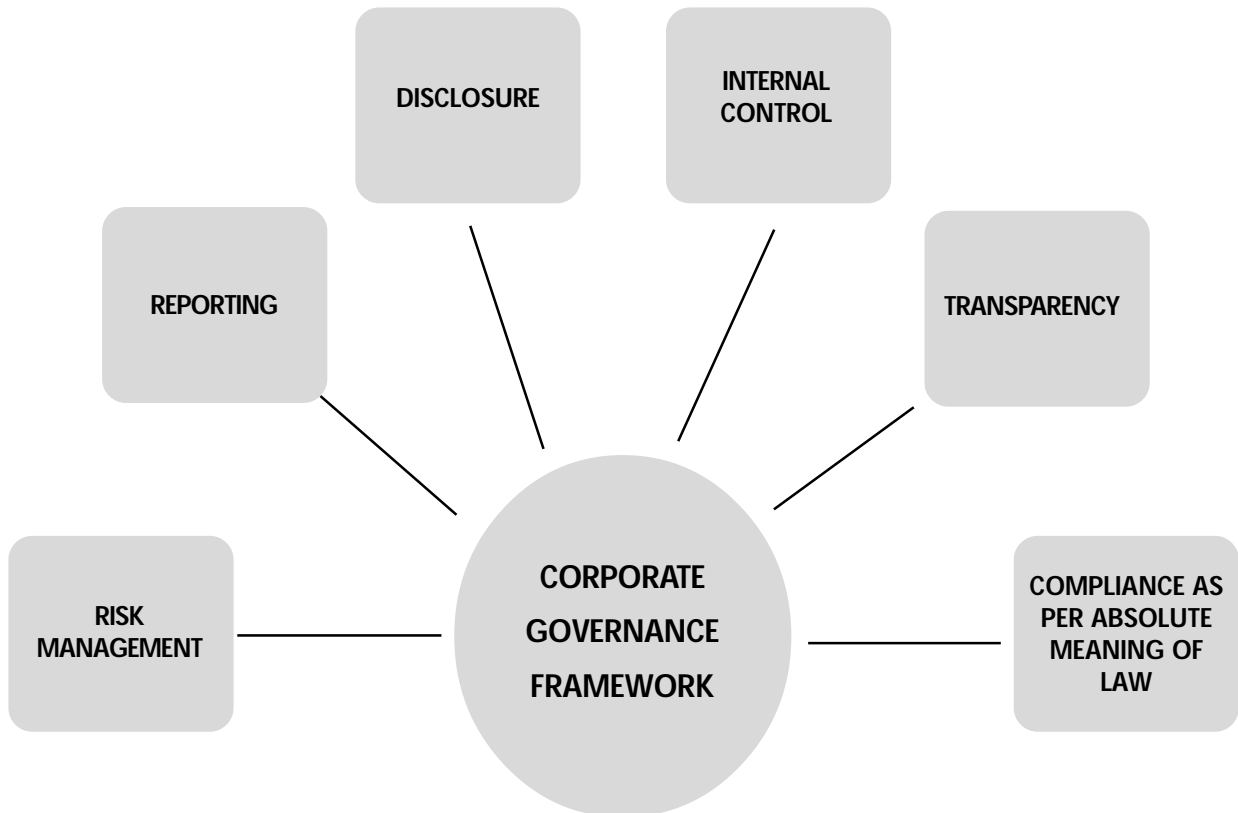

The Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors which suitably incorporates the duties of independent directors as laid down in the Companies Act, 2013 (‘the Act’).

Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) the Company has executed fresh Listing Agreements with the Stock Exchanges.

The Company is in compliance with the requirements stipulated under Clause 49 of the Listing Agreements and Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI Listing Regulations, as applicable, with regard to corporate governance.

II. CORPORATE GOVERNANCE FRAMEWORK

The driving principles of our corporate governance framework are encapsulated in the following diagram:

In view of the SEBI Listing Regulation 2015, the Company continuously follows the procedure of Corporate Governance for ensuring and protecting the rights of its shareholders by means of transparency, integrity, accountability, trusteeship and checks at the different levels of the management of the Company.

III. BOARD OF DIRECTORS

At Amtek, the Board along with its Committees provides leadership and guidance to the Company's management as also direct, supervise and control the performance of the Company. We believe an active, well-informed board is vital to attain the highest standards of Corporate Governance. An independent and strong board is the utmost requirement of the Company so as to ensure that the best practices are adopted by the Company. At Amtek, we have a proper blend of executive, non-executive and independent directors, who have rich knowledge and experience in the industry for providing strategic guidance and direction to the Company.

BOARD PROCEDURES

The members of the Board have been provided with the requisite information in the Listing Agreement and SEBI Listing Regulations, as applicable well before the Board Meeting and the same was dealt with appropriately.

All the Directors who are in various committees are within the permissible limit of the SEBI listing regulations and none of the Directors are disqualified for appointment as director under any of the provisions of the Companies Act, 2013.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. GLOBAL ECONOMIC OVERVIEW

The global economic recovery continued to be weighed down in FY2016 by weak aggregate demand, falling commodity prices (in particular crude oil), sharper than expected slowdown in the Chinese economy and increasing financial market volatility in some of the major economies. These developments, coupled with sluggishness in many of the emerging and developing markets, which constitute more than 70% of the global economy, offset the slight recovery in the developed economies. World GDP growth slowed to 2.4% in CY2015. Emerging Market and Developing Economies grew at 3.4%, while the US and the Euro Area grew at 2.4% and 1.6%, respectively. Japan grew at 0.6%.

According to the World Bank, Emerging Market and Developing Economies (EMDEs) are facing stronger headwinds, including weaker growth among advanced economies and low commodity prices. Significant divergences persist between commodity exporters struggling to adjust to depressed prices and commodity importers showing continued resilience. In addition, UK's impending exit from the European Union, as a consequence of the Brexit referendum, has also presented a cause of concern for the global economy. The World Bank revised its world GDP growth forecast for 2016 down to 2.4%, 0.5 percentage points below the January 2016 forecast. The 2017 GDP forecast stands at 2.8%.

Global growth is projected to pick up to 3% by 2018, as stabilizing commodity prices provide support to commodity exporting EMDEs. Downside risks have become more pronounced. These include deteriorating conditions among key commodity exporters, softer-than-expected activity in advanced economies, rising private sector debt in some large emerging markets, and heightened policy and geopolitical uncertainties.

2. INDIAN ECONOMIC OVERVIEW

Amidst a challenging global growth scenario and after a prolonged slowdown, the Indian economy recovered slightly and grew 7.6% in FY2016, compared to 7.2% in FY2015. This was led by strong domestic demand and supported by several policy initiatives of the Government of India, a low current account deficit, low inflation levels and adherence to fiscal prudence. Furthermore, the current account deficit declined and foreign exchange reserves rose to US\$351.5 billion in early February 2016, and are well above standard norms for reserve adequacy. FDI to India has surged 37% since the launch of the 'Make in India' campaign in October 2014 to February 2016.

However, the economy is still suffering from sluggishness in rural demand, caused by deficient monsoons for two years. Moreover, despite five interest rate cuts since 2015, credit growth to the corporate sector remains subdued because of stressed asset quality in the banking sector. Weak exports also weigh on growth: February marked the 15th consecutive month of decline. World Bank has forecasted the GDP growth of India at 7.6% for 2016 and 7.7% for 2017.

According to one of India's leading research and credit rating firms, the medium-term outlook will be shaped by progress on initiatives such as reforms in banking and successful implementation of the Goods and Services Tax (GST). Other key factors crucial to sustaining growth include physical infrastructure issues such as seamless availability of electricity, creation of road network and social aspects like health and education.

3. AUTOMOBILE INDUSTRY

3.1 Global Automobile Industry

During FY2016, the performance of the global automotive industry remained region specific. Passenger car registrations in Europe marked their 31st consecutive month of growth in March 2016 indicating continued strength of the consumer sentiment in Europe. In the month of March, new car registrations in the EU reached more than 1.7 million units, which is close to March 2007 levels, just before the economic crisis started to impact the automotive industry. However, pressures over regulation and uncertainty over outlook still weigh on the industry.

In the United States, favourable economic conditions continued to provide support to the automotive industry. Total light vehicle production grew 3.7% y-o-y over the six months ended March 2016. However, rising discounts and increasingly favourable loan terms have started to raise concerns that automobile sales may have peaked.

Brazil's domestic passenger car sales remained subdued owing to high inflation, credit constraints and low consumer confidence. However, exports of Brazil made cars remain strong.

In Japan, continued erosion of purchasing power has hampered domestic automotive demand. Production has also been affected due to lower demand from Indonesia. However, exports to US and Europe remain relatively strong, despite the recent appreciation in Yen.

Thailand's automotive industry is primarily export oriented. Despite a slow global recovery, export demand for Thailand made automobiles remained strong.

3.2 Indian Automobile Industry

The Indian automotive industry is one of the most attractive in the world and has witnessed growing interest from international OEMs over the last many years. The industry had been impacted by a slowdown for a couple of years before signs of a recovery in some of the automotive segments started to emerge in FY2016. However, this recovery has been slow and fragmented.

Concerns around the new infrastructure 'cess' (tax) on automobiles and slowness in the rural economy continued to hamper growth of the Passenger Vehicle segment in India. SIAM has cut its FY2017 growth outlook for the PV segment to 6-8% from 11-12% earlier.

Medium and Heavy Commercial Vehicles (M&HCV) production has grown in FY2016 in anticipation of stronger economic activity, although off the low base of last year. Light Commercial Vehicle production rose on the back of greater availability of load from the consumer goods industry and expectations of good monsoons. SIAM has forecasted a 12-15% growth for the M&HCV segment in FY2017.

Demand from the rural market has remained low for the 2-Wheelers segment. However, higher sales to customers in the urban markets has offset some of the negative sentiment in the rural market. SIAM has a positive outlook on the sector for FY2017 and expects a 0-3% and 17-19% growth in Motorcycle and Scooter segments, respectively.

Note: Fiscal Year ending March

4. AUTOMOTIVE COMPONENTS INDUSTRY

Over the last decade, the Indian automotive components industry has grown tremendously. This has been especially due to increasing investments by automotive OEMs in India in turn leading to demand for technologically advanced components. The growing scale has enabled manufacturers to keep costs low, further increasing the attractiveness of sourcing automotive parts from India.

After witnessing a slowdown in the last few years, the Indian auto component industry registered better growth in FY2016. The industry turnover for FY2016 stood at Rs. 2,556 billion compared to Rs. 2,348 billion in FY2015, a growth of 8.8%. However, given the fragmented performance of the global automotive industry, Indian automotive component exports grew by only 3.5%.

A key challenge faced by the Indian automotive components industry is the current duty structure that makes the cost of raw materials higher in India than anywhere else. Necessary reforms in this regard will further support the government's 'Make in India' campaign.

Given the dependence of the Indian automotive components industry on the performance of international automotive markets, a more meaningful and broad based recovery in the global demand for automobiles would be needed to support the Indian automotive components industry.

Indian Automotive Components Industry: Turnover and Exports

Notes:

1. SCV (Small Commercial Vehicle): < 2T; LCV (Light Commercial Vehicle): 2-7.5T; MCV (Medium Commercial Vehicle): 7.5-16T; HCV (Heavy Commercial Vehicle): > 16T
2. OEMs consumption includes locally produced components and imports

According to the Automotive Component Manufacturers Association of India (ACMA), the Indian auto-components industry is expected to register a turnover of US\$100 billion by 2020 backed by strong exports ranging between US\$80-100 billion by 2026, from the current US\$11.2 billion. A major contributor to this growth is expected to be the government's Automotive Mission Plan 2016-26, which will drive the 'Make in India' campaign. The plan will place a special focus on exports of small cars, multi-utility vehicles (MUVs), two and three wheelers and automotive components.

The passage of the GST Bill is a significant development as it is expected to impact favourably, the economy in general and the demand for automobiles, in particular. The automotive sector will gain by the lowering of taxes and, therefore, the final consumer prices. This is likely to add to the growth momentum in the sector in the medium to long term.

5. AMTEK AUTO: STRATEGY AND OUTLOOK

In the last few years, several macro headwinds have obstructed the growth of the automotive components industry including flagging vehicle sales, increasing capital costs and slowing investments in manufacturing. This slowdown, which still continues to impact the Indian automobile industry, has undermined our capacity expansions and utilizations, and impacted profitability through FY2016. The momentum in our new order wins has also been affected, in line with the overall demand scenario. The recent downgrade in industry forecasts by the automobile industry association lends veracity to this slowdown.

Last year, for the first time in its rich 30 year history, Amtek Auto was faced with a cash flow mis-match owing to this slowdown. To counter this situation, the senior management team outlined a three pronged strategy. Firstly, the Company embarked on a Debt Realignment Program with its lenders. Significant progress has been made on this front with the support of our financial institution partners. Secondly, Amtek Auto formulated a Deleveraging Plan based on monetization of an international asset and certain non-core assets. This strategy is based on realising the significant equity value created in these assets for the purpose of reducing the debt in the Indian operations. The plan is progressing in line with management expectations. Thirdly, the management has also taken a highly strategic decision to bring a new investor on board and use the investment in further reducing debt. Discussions with potential investors have been very encouraging and we are confident of bringing this plan to fruition in the new future. The senior management team remains fully committed to the overall deleveraging plan which will not only enhance our free cash flows resulting from lower interest payments, but will also optimise Amtek Auto's capital structure and create significant shareholder value.

The Amtek Business Excellence Program, which we started in 2014, has facilitated a highly successful implementation of lean manufacturing processes. It remains the driving force behind Amtek Auto's cost controls and productivity initiatives, and is a key attribute of the Company's business strategy. Amtek Auto has also taken up certain other strategic initiatives such as realigning the product mix and expanding the product range to increase the share of our value added product offering. Other initiatives centre around overall fiscal control, quality improvement, up-gradation in technology and research & development. The Company also continues to focus on cost reduction and rightsizing initiatives. We are confident that these initiatives, in particular the new set of products that are being developed, will help make Amtek Auto much more competitive in the market place.

A key driver of Amtek Auto's growth has been the expansion of global OEMs in India. This trend has already started to receive a greater push from the Government's 'Make in India' campaign. Global OEMs are expected to not only increase investments into India, leading to higher car production levels, but also consolidate their suppliers who can achieve their operational and quality targets. This will lead to increasingly more opportunities being presented to larger suppliers such as Amtek Auto. In addition, we view the passage of the GST Bill as a positive development which would not only lead to better affordability of automobiles for the masses and in turn translate into higher sales of automotive components, but also bring in operational efficiencies.

Being ready to capitalise on the opportunities arising from these developments calls for a highly strategic way forward. We are working to take the integration between our Indian and international operations to the next level, which will facilitate not only revenue synergies, cost savings and engineering process improvements but also sharing of best practices to achieve overall quality targets. Furthermore, we are actively looking to acquire new customers for many of our key products that have already been widely accepted in the global marketplace. This will allow us to realise our objective of increasing utilisations of the world class capacities that we have built and increase exports out of India, which offer the biggest cost advantage to us.

Amtek Auto's global manufacturing capacities, geographic market reach and blue chip customer base have made us one of the world's most dynamic companies in the engineered components sector. Our customers around the world acknowledge

the level of engineering in our manufacturing processes, the technological advancement of our products and for the highest standards we have set in customer service. The relationships with these OEM and Tier 1 customers, which have been reinforced time and again, will continue to help us compete at the highest levels in the global market place.

6. OPPORTUNITIES & STRENGTHS

Positive Outlook for the Global Automotive Industry: Strong economic growth and employment levels are expected to help the US market to cross 18 million units over the next two years. Low European interest rates and government incentives are likely to help maintain the sales momentum across many of the key European markets. China's initiative to reduce sales tax for passenger vehicles is expected to bode well for production volumes in the near term. With a strong momentum in key international automotive markets and an impending recovery in the Indian automotive industry, Amtek Auto is in a position to ramp up utilizations and capture a significant share of this additional demand.

Strong Growth Prospects for the Global Forging Industry: According to a recent research by Technavio, the global forging market during 2016-2020 is set to grow at a CAGR of around 8%. Characteristics associated with forged parts such as reliability, strength, and economic viability have helped increase the use of forging over the years. The industry will continue to witness growing demand both from automotive and non-automotive sectors.

Inherent Strengths of Manufacturing in India: Cost efficient labour, government support and availability of skilled manpower have made India an attractive manufacturing destination over the years. This has resulted in increased interest from various global OEMs in the form of tie-ups with local suppliers. As a result, many global OEMs have also managed to achieve a fairly high level of localization in India. This continuing trend is expected to open significant opportunities for the Indian component makers to supply to these players for their Indian and international demand.

In addition, total automotive component exports out of India are expected to continue to increase in the years to come. India's proximity to emerging markets such as South East Asia and Africa is a key advantage for developing an export base. Furthermore, shipments to Europe from India are more cost effective as compared to those from Brazil and Thailand.

'Make in India': The Indian government's focus on improving ease of business with its 'Make in India' initiative is expected to soften regulations and reduce complex procedures. The initiative will also result in making India an even more cost effective manufacturing destination.

The Government of India has taken a series of steps to support this program such as:

- **New Trade Policy:** Export and import taxes on small volumes of goods have been abolished, and incentives have been introduced for export-oriented units and export processing zones.
- **New Labor Laws:** These include a "single window" labor compliance process for companies, simpler Provident Fund (compulsory employee insurance and pension) procedures and a new inspection scheme.
- **Simplification of Regulatory Compliance:** In an effort to enhance the ease of doing business, it has been made possible for companies to obtain environmental approvals and licenses online.

The Indian Government's Automotive Mission Plan 2016-26, the key driver of the 'Make in India' campaign envisages four-fold growth in automotive volumes by FY2026. The Indian auto sector has the potential to generate up to US\$300 billion in annual revenues by FY2026, create around 65 million additional jobs and contribute more than 12% to India's GDP, according to the plan prepared jointly by SIAM and the Government of India.

Focus on Import Substitution to Drive Growth in the Non-automotive Sector: With the government of India's emphasis on substitution of imported goods to reduce import bills, sectors such as railways and defence are expected to look to Indian companies for procurement. This provides manufacturing companies an opportunity to grow in the non-automotive business.

7. RISK AND CONCERNS

Macroeconomic Uncertainty: Amtek Auto's operations are spread across many different regions. In the six month financial year 2016, international business contributed 76.9% to the revenues. Due to the global nature of Amtek Auto's business, its operations are directly dependent on the general economic conditions across all key global markets. In the recent past, global economic growth has remained volatile and uneven with several key markets facing economic challenges. The Company, on a regular basis, assesses and evaluates the macroeconomic performance in its key markets and takes suitable remedial actions as may be necessary from time to time to mitigate such risks.

Changes in Tax, Tariffs or Fiscal Policies: Imposition of additional taxes and levies designed to limit the use of automobiles could adversely affect demand for the Company's products. Changes in corporate and other taxation policies, as well as changes in export and other incentives granted by various governments, or import or tariff policies, could also adversely affect the Company's financial results.

We are in the process of evaluating thoroughly the impact of the implementation of GST on our business.

Geopolitical and other Risks: Political instability, wars, terrorism, multinational conflicts, natural disasters, fuel shortages and their prices, epidemics, labour strikes all present business risks. To counter these risks, the Company continues to expand its geographic presence across all major automotive economies in the world.

Country Risk through Exports: Products produced by Amtek Auto are exported to a number of different automobile markets globally. This exposes the Company to various risks associated with international business transactions. These include various geopolitical risks, currency price regulatory risks and other such concerns.

Raw Material Prices: Prices and availability of various raw materials such as steel, non-ferrous, precious metals, rubber and petroleum products are dependent on various environmental factors. Even as the Company continues to pursue cost control measures, any unforeseen or sudden spike in cost of these items could impact the profitability of the Company to the extent that customer price pass through terms are not available. For Amtek Auto, increase in the price of raw materials, especially steel, are passed through so there is a limited impact on our profitability.

Global Competition: With the integration of global automobile supply chains, the automobile components industry has become increasingly competitive with OEMs continuously scanning the market for lower prices and better terms. Even as the Company enjoys strong and long standing relationship with many global OEMs, it continues to invest in newer products and better quality control.

Financial Risk: Any change in interest rates, foreign exchange rates and commodity prices can potentially impact the financial performance of the Company.

Technological Changes: The business environment is evolving at a rapid pace. The changing technologies have led to a shortening of the life cycle of new vehicles. Additional challenges include supply constraints from Tier II suppliers, sustenance of operating cost efficiency gains and capacity expansions in the context of rapidly changing consumer demand preferences. The Company continues to invest in new technologies and capacities to address such risks. In addition, our focus on rationalization both in terms of size and functions, enables us to continue to complement the manufacturing excellence programs that are being developed.

Risk Management: Strategic, operating and financial business risks are reviewed by the Risk Management Committee on a regular basis. In addition to the above risks, the committee monitors any potential new risks that may arise due to changes in the external environment. While the possibility of a negative impact due to one or more of such risks cannot be totally avoided, the Company proactively takes reasonable steps to pre-empt and mitigate these.

8. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an elaborate internal control system which monitors compliance to internal processes. It ensures that all transactions are authorised, recorded and reported correctly. The systems are routinely tested and certified by Statutory as well as Internal Auditors and cover all offices, plant facilities and key areas of business. The Internal Auditors independently evaluate the adequacy of internal controls and concurrently audit the majority of the transactions in value terms.

To further strengthen the internal control process, the Risk Management Committee has documented control procedures covering all aspects of key financial and operating functions. The Company's internal control systems provide for:

- Adherence to applicable accounting standards and policies
- Accurate recording of transactions with internal checks, prompt reporting and timely action
- Compliance with applicable statutes, policies, listing requirements and management policies and procedures
- Review of capital investments and long term business plans
- Periodic review meetings to guide optimum utilization of resources
- Effective use of resources and safeguarding of assets

The Audit Committee reviews the effectiveness of internal control systems, and also provides timely updates on operating effectiveness and controls to senior management team. A CEO and CFO Certificate, forming part of the Corporate Governance Report, confirms the existence and effectiveness of internal controls and reiterates their responsibilities to report deficiencies to the Audit Committee and rectify the same.

Our auditors carry out periodic audits as per an agreed internal audit programme. They bring to the notice of management, issues which require their attention and also highlight the severity of the issue. Corrective actions are then set in place. The internal auditors report is reviewed by the Audit Committee and placed before the Board of Directors for their consideration.

9. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Amtek Auto's performance in the six month period ending March 2016 is a reflection of the challenges faced by the automotive industry in India and in certain other regions internationally. In financial year 2016, the consolidated annualized revenues of the Company were Rs. 70,789 million.

Consolidated EBITDA (before exceptional item) for the six month period stood at Rs. 7,938 million at a margin of 11.2%. Management remained focused on cost optimisation and value enhancement during this period.

Consolidated loss after tax for FY2016 before minority interest and associate income was Rs. 7453 million.

10. FINANCIAL CONDITION

Amtek Auto monitors its financial position regularly and deploys a robust cash management system. The Company has also been able to arrange adequate liquidity at an optimum cost to meet its business and liquidity requirements. Amtek Auto would like to thank the financial institutions, shareholders and other stakeholders for their continuous support.

11. DEBT POSITION

As of March 31, 2016, the Company had consolidated debt of Rs. 151,944 million comprising Rs. 116810 million of long term debt and Rs. 35,154 million of short term borrowings. Cash and cash equivalents stood at Rs. 4510 million, translating into net debt of Rs. 147,434 million.

The Company embarked on a Debt Realignment Program with its lenders last year. Significant progress has been made on this front with the support of our financial institution partners, as of the end of FY2016.

12. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

During the year, the Company delivered value to its customers and investors. This was made possible by the relentless efforts of each and every employee. The Company has developed a robust and diverse talent pipeline which enhances Amtek Auto's organizational capabilities for future readiness, further driving greater employee engagement. Our human resource program is focused on attracting the right talent, providing excellent on the job training opportunities, and finally giving them the growth opportunities consistent with their aspirations. In addition, the trust our employees place in us is evident in our ability to retain key employees and senior executives during a challenging FY2016.

Amtek Auto has always enjoyed strong industrial relations. The company has a systematic grievance redressal system to further strengthen these relationships. This system encourages employees to share their views and opinion with the management. The Company reflects on this feedback and incorporates relevant changes into the existing policies, systems and processes.

During the period under review, the Company maintained a cordial relationship with its workforce. The Directors would like to place on record their appreciation and recognition towards all its employees who continue to exude confidence and commitment toward brand '**ONE AMTEK**'.

13. STATUTORY COMPLIANCE

The company secretary, as compliance officer, ensures compliances of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Compliance certificates are obtained from various departments of the Company and the Board is informed of the same at every Board Meeting.

14. CAUTION STATEMENT

The above mentioned statements are only 'forward looking statements' based on certain assumptions and expectations. The Company's actual performance could differ materially from those expressed/projected depending upon changes in various factors. The Company does not assume any responsibility to any change(s) in forward looking statements', on the basis of subsequent developments, information or events etc.

Important developments that could affect the Company's operations include a downward trend in the domestic automotive industry, competition, rise in input costs, exchange rate fluctuations, and significant changes in the political and economic environment in India, environmental standards, tax laws, litigation and labour relations.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AMTEK AUTO LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of Amtek Auto Limited ("the company"), which comprise the balance sheet as at 31st March 2016, the statement of profit and loss for the six months ended 31st March 2016, the cash flow statement for the six months ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The company's board of directors is responsible for the matters specified in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made there under.

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2016 and its loss, and its cash flows for the six months ended on that date.

Annexure - A to the Independent Auditors' Report

Re : Amtek Auto Limited

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the six months ended 31st March 2016.

- (i)
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) As explained to us, fixed assets, according to the practice of the Company, have been physically verified by the management at reasonable intervals. In our opinion, the frequency of physical verification of fixed assets is reasonable having regard to the size of the Company and nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) We have been informed that the inventories are physically verified during the period by the management at reasonable intervals. The frequency of physical verification, in our opinion, is reasonable having regard to the size of the company and nature of its business. The discrepancies noticed on verification between the physical inventories and the book records were not material in relation to the operation of the Company and the same have been properly dealt with in the books of account.
- (iii) The company has granted unsecured loans to companies covered in the register maintained under Section 189 of the Companies Act, 2013 during the period under review:
 - (a) The terms and conditions of grant of such loan are not prejudicial to the interest of the company.
 - (b) The schedule of repayment is stipulated and there is no irregularity in this regard.
 - (c) No amount is overdue for more than 90 days as on 31st March, 2016.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act 2013 in respect of loans, investments, guarantees and security.
- (v) Since the company has not accepted any deposit from public, the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under with regard to the deposits accepted from the public are not applicable.
- (vi) The Central Government has prescribed the maintenance of cost records under section (1) of section 148 of the Companies Act, and on the basis of records produced before us for our verification; we are of the opinion that, prima facie, the prescribed accounts and cost records have been maintained. However we are neither required to carry out nor have carried out any detailed examination of such accounts & records.

Annexure – B to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Amtek Auto Limited (“the Company”) as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

 (ATTACHED TO AND FORMING PART OF ACCOUNTS FOR THE YEAR ENDED 31st MARCH, 2016)

I. SIGNIFICANT ACCOUNTING POLICIES
A. BASIS OF ACCOUNTING

These accounts are prepared under historical cost convention, on a going concern basis and on accrual basis and are in compliance with the accounting standards notified under section 133 of the Companies Act, 2013 and the relevant provisions thereof.

B. REVENUE RECOGNITION

Sales are recognized at the time of dispatch of goods and are exclusive of excise duty and Central sales Tax/ VAT. All expenses and income are accounted for on accrual basis.

C. FIXED ASSETS

Fixed assets are stated at cost less accumulated depreciation. The cost of fixed assets includes their original cost of acquisition net of central tax including taxes, freight and other incidental expenses related to acquisition and installation of the concerned assets.

D. DEPRECIATION

Depreciation on fixed assets is provided on "Straight Line Method" (SLM) as per useful life method prescribed under Part C of Schedule II of the Companies Act, 2013. Depreciation on additions / deductions to Fixed Assets is provided on pro-rata basis from the date of actual installation or up to the date of such sale/ disposal, as the case may be. The residual value of the asset has been taken to be 5 percent of the original cost of the asset.

E. INVENTORIES

Raw Materials, Stores, Spares & dies, Goods under process and Finished Goods are valued at cost or Net Realizable Value, whichever is lower. Waste and Scrap is valued at Net Realizable Value.

Cost of inventories of Raw Materials and Stores and Spares is ascertained on FIFO Basis.

Cost of goods under process and finished goods comprise of cost of materials, production overhead and depreciation on plant and machinery. Cost of material for this purpose is ascertained on First in First out basis.

Provision for obsolescence in inventories is made, whenever required.

F. INVESTMENT

Current investments are valued at lower of cost or fair market value.

Non current Investments are valued at cost. However, when there is a decline other than temporary in the value of a Non current Investment, the carrying amount is reduced to recognize the decline.

G. FOREIGN CURRENCY TRANSACTIONS

- a) The working capital loans are revalued at exchange rates prevailing at the year end. Exchange differences arising on such revaluation are duly recognized in the Profit & Loss Account.
- b) In case of forward exchange contracts to repay working capital loans, the difference between the forward rate and the exchange rate at the date of transaction is recognized as income or expenses over the life of the contract.
- c) Debtors and working capital loans in foreign currency are revalued at the year end exchange rates. Exchange differences arising on such revaluation are recognized in Profit & Loss Account.
- d) Exchange differences arising on revaluation of foreign currency loans relating to acquisition of fixed assets from outside India are adjusted against relevant fixed assets.

H. EXCISE DUTY

Excise duty is paid on clearance of goods, but is accounted for in the books on accrual basis. Accordingly, provision for excise duty is made for goods lying in the Bonded Warehouse.

I. EMPLOYEES' RETIREMENT BENEFITS

- a) The liability for superannuation\ pension Gratuity & Leave Encashment is accounted for on the basis of actuarial valuation in accordance with Accounting Standards -15 (Revised) notified by the Institute of Chartered Accountants of India.
- b) Retirement benefits in the form of Provident Fund and Superannuation / Pension Schemes are charged to the Profit and Loss Account for the year when the contribution to the respective funds is due.

J. RESEARCH AND DEVELOPMENT

Capital Expenditure is shown separately under respective heads of fixed assets. Revenue expenses including depreciation are included under the respective heads of expenses.

K. BORROWING COST

Interest on borrowings are recognized in the Profit and Loss account except interest incurred on borrowings, specifically raised for Projects which is capitalized with the cost of the asset until such time the asset is ready to be put to use for intended purpose.

L. TAXATION

- a) Provision for Taxation is made on the basis of the taxable profits computed for the current accounting year (reporting year) in accordance with Income Tax Act, 1961.
- b) Deferred Tax is recognized, subject to consideration of prudence, on timing difference, being difference between taxable income and accounting income/ expenditure that originate in one period and are capable of reversal in one or subsequent year(s). Deferred taxes are reviewed for their carrying value at each balance sheet date.

M. IMPAIRMENT OF ASSETS

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the profit and loss account. If at any subsequent balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the Members of Amtek Auto Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Amtek Auto Limited (herein after referred to as "the Holding Company") and its subsidiaries (The holding Company and its subsidiaries together referred to as the 'Group') Its associate and Jointly Controlled entities, comprising of the consolidated balance sheet as at 31st March 2016, the consolidated statement of profit and loss for the six months ended 31st March, 2016 and the consolidated cash flow statement for the six months ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (herein after referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly Controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to in sub paragraph (a) of the other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and Jointly Controlled entities as at 31st March 2016, and their consolidated loss and their consolidated cash flows for the six months ended on that date.

Annexure - A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of 31st March, 2016 we have audited the internal financial controls over financial reporting of Amtek Auto Limited (herein after referred to as "the Holding Company"), its subsidiary companies, Joint Controlled Companies and Associates, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company, its subsidiary companies, Jointly Controlled Companies and Associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion

or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, Jointly Joint Controlled Companies and Associates Companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

AMTEK AUTO LIMITED & SUBSIDIARIES/ JOINT VENTURES

Note No: 1 SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED ACCOUNTS (ATTACHED TO AND FORMING PART OF ACCOUNTS FOR THE SIX MONTHS ENDED 31ST MARCH 2016)

1. ACCOUNTING POLICIES –

A. Principles of Consolidation :

- i. The consolidated Financial Statement relates to Amtek Auto Ltd (the Parent Company), Amtek Transportation systems Ltd., Alliance Hydro Power Ltd, JMT Auto Limited, (subsidiary companies incorporated in India), Amtek Investments UK Limited (wholly owned foreign subsidiary company incorporated in UK), Amtek Deutschland GmbH (wholly owned foreign subsidiary company incorporated in Germany), Amtek Germany Holding GP GmbH, (wholly owned foreign subsidiary company incorporated in Germany), Amtek Germany Holding GmbH & Co. KG, (wholly owned foreign subsidiary company incorporated in Germany), Amtek Holding BV, (wholly owned foreign subsidiary company incorporated in Netherlands), Amtek Global Technologies Pte. Ltd., Amtek Precision Engineering Pte. Ltd., (wholly owned foreign subsidiary company incorporated in Singapore) Amtek Engineering Solutions Pte. Ltd., (wholly owned foreign subsidiary company incorporated in Singapore), Amtek Integrated Solutions Pte Ltd., (foreign subsidiary company incorporated in Singapore), Amtek Powetrain Limited (Formerly Known as MPT Amtek Automotive (India) Limited) (50:50 Joint Venture incorporated in India) and SMI Amtek Crankshaft Pvt Limited (50:50 Joint Venture incorporated in India).
- ii. The Consolidated Financial statements have been prepared on the basis of AS-21 issued by ICAI read along with the following assumptions :
 - (a) The Financial Statement of the parent company and its Subsidiaries/ Joint Venture companies have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra-group transactions, resulting in unrealized profit or losses.
 - (b) Investment of the parent company in the Subsidiaries/ Joint Ventures are eliminated against respective stake of the parent company.
 - (c) In respect of foreign subsidiary, the financials have been converted from UK GAAP/German GAAP/ IFRS to Indian GAAP. Current Assets and Liabilities of overseas subsidiaries have been translated in reporting currency, at the exchange rate prevailing at the close of the year.
 - (d) All transactions in foreign currency are recorded by applying the exchange rate prevailing at the time of transaction. Gain or loss upon settlement of the transaction during the year is recognized in Profit and Loss Account.
 - (e) The operations of the subsidiaries are not considered as an integral part of the operations of the parent. Hence, all Monetary and Non Monetary Assets and Liabilities have been translated at the exchange rates prevailing at the close of the subsidiaries financial year (i.e. 31st March 2016 Income and Expenditure have been translated at the daily average rate of exchange prevailing for the subsidiaries financial year. Translation losses and gains on the above are carried to Foreign Currency Translation Reserve for future adjustments. Foreign Exchange rates so applied are adjusted for any subsequent material fluctuations as compared to rates prevailing on 31st March, 2016.

B. Notes to the Consolidated Financial Statements :

The notes to the consolidated financial statement intended to serve as a means of informative disclosure and guide to better understanding of the financial information about the economic activities and the economic resources controlled as single economic entity. Recognizing this purpose, the company has disclosed only such notes from the individual financial statement, which fairly presents the needed disclosures. Practical consideration and lack of uniformity on account of local laws and practices made it desirable to exclude notes to account and accounting policies which in the opinion of the management could be better viewed when referred to individual financial statements. Consolidated financial statement have been prepared using uniform accounting policies for like transaction

and other events in similar circumstances except in case of depreciation on fixed assets and other items, for which the accounting treatment is given on the basis of local laws applicable in the respective countries for which using uniform accounting policies for the purpose of consolidation is impracticable.
